The defendant pled not true to the Violations alleged in the Petition to Revoke Supervised Release.

The Court finds by a preponderance of the evidence, after having conducted an evidentiary final revocation hearing on April 02, 2025, that the defendant has violated the terms of supervised release as alleged in the said petition. Thus, the Government's petition to revoke will be and is hereby **GRANTED**.

Upon release from imprisonment, the defendant's term of supervised release will recommence for a period of **Twenty-Four (24) months**. While on supervised release, the defendant shall comply with all conditions of supervision adopted by this court in November 2016. In addition, it is ordered by the Court that the defendant shall comply with the following special conditions.

The defendant shall abstain from the use of alcohol and/or all other intoxicants during the term of supervision.

The defendant shall participate in a substance abuse treatment program and follow the rules and regulations of that program. The program shall include testing and examination to determine if the defendant has reverted to the use of drugs or alcohol. The probation officer shall supervise the participation in the program (provider, location, modality, duration, intensity, etc.). The defendant must pay the costs of such treatment based on the defendant's ability to pay.

The defendant shall not use or possess any controlled substances without a valid prescription. If a valid prescription exists, the defendant must disclose the prescription information to the probation officer and follow the instructions on the prescription.

The defendant shall submit to substance abuse testing to determine if the defendant has used a prohibited substance. The defendant shall not attempt to obstruct or tamper with the

testing methods. The defendant shall pay the costs of testing if financially able.

The defendant shall not knowingly purchase, possess, distribute, administer, or otherwise use any psychoactive substances (e.g., synthetic marijuana, bath salts, psychedelic mushrooms, etc.) that impair a person's physical or mental functioning, whether or not intended for human consumption.

The Court ORDERS the defendant's immediate release from custody.
